CLEVELAND BALLET RECEIVES FUNDING FROM THE CLEVELAND-CLIFFS FOUNDATION

Cleveland Ballet has been honored with a generous and first-time grant award from the Cleveland-Cliffs Foundation. This noteworthy grant is designed to facilitate immersive classroom-to-theater learning experiences for the holiday production of *The Nutcracker*. As part of this initiative, free tickets and dance instruction will be provided for students in grades K-12 through the ballet's partnership with the Cleveland Metropolitan School District. The Cleveland-Cliffs Foundation's support empowers the ballet to continue inspiring and engaging audiences, including nurturing the next generation of ballet and arts enthusiasts.
