

CLEVELAND BALLET

CLEVELAND BALLET RECEIVES FUNDING FROM THREE LOCAL FOUNDATIONS

Cleveland Ballet recently received funding from three stalwart organizations to continue fulfilling our mission of promoting accessibility and nurturing a new wave of ballet enthusiasts.

The Lerner Foundation grant will allow Cleveland Ballet to distribute free performance tickets and dance instruction through our partner schools including the Cleveland Metropolitan School District. Students will experience the highly anticipated performance of *The Nutcracker* during the 2024 holiday season.

Support from **National Interstate Insurance** and **Lincoln Electric Foundation** spans many years and has enabled Cleveland Ballet to impact Cleveland's vibrant artistic scene and neighboring regions. With their continued support, various community-based initiatives have helped build an understanding and appreciation for the classical art form through movement and education.
