CLEVELAND BALLET RECEIVES SIGNIFICANT SUPPORT FROM VARIOUS FOUNDATIONS FOR UPCOMING SEASON

This spring, Cleveland Ballet has received significant support from The Shubert Foundation in New York City and first-time donor, The Park Foundation, to cover operational costs. Furthermore, the Akron Community Foundation has extended its support for performances during the 2024-2025 season at various venues. This collective assistance reflects the strong foundation and potential for further growth for Cleveland Ballet, representing a valuable opportunity for potential financial donors to ensure ballet in Northeast Ohio and help us continue our impactful work in the community.
