PATRONS CIRCLE SUCCESSFULLY LAUNCHED TO BUILD COMMUNITY WITH NEW GENERATION

After a successful launch party at Amba in Ohio City, Patrons Circle continues to receive enthusiastic support and interest from a new generation of ballet supporters. To continue building enthusiasm and participation for Patrons Circle, a summer event is planned.

Mark your calendars for Thursday, July 25, 5:30 p.m at the Shoreby Club in Bratenahl to socialize and meet like-minded individuals at this spectacular location.

Patrons Circle has no membership fees or dues – only benefits. The program is designed to build a community of supporters who bring their talents to organizing fundraisers, volunteering during performances or events, and creating other new and exciting ways to stay involved.
